*memoirs in miniature, possessing
an immediacy and a realism that is
appealing in its authenticity
(New York Journal of Books)*

*You'll find yourself sometimes
laughing out loud, sometimes
weeping, and often simply nodding
your head in agreement.
(Cheryl MacDonald
in Heronwood Heritage News)*

*well put-together...
an entertaining read
Rabbi Reuven Bulka,

*The stories are compelling,
wonderfully crafted, and like
